

Research Opportunities
on
West Lafayette Parks and Recreation Properties

Individuals wanting to do research on West Lafayette Parks and Recreation properties need to request a copy of “Guidelines to Researchers” and address all the information items relevant to your proposed project. Completed proposals should be sent to the Superintendent of West Lafayette Parks and Recreation.

Your proposal will be reviewed by staff naturalists, and perhaps by a specialist in the area of the proposed research. You may be asked to answer questions raised by the reviewers and then make necessary modifications to your proposal. Candidate proposals will then be submitted for approval to the Board of Parks and Recreation for final approval.

Please submit proposal to:
